Lava bvba  
Rijksweg 138,8710 Wielsbeke, Belgium

Dear Lucas,

Through the U Trust® verification program, using Fiberprint® technology, Unifi is pleased to advise you that the following sample as referenced below has passed the REPREVE® Certification Standards:

Fabric Number: 719541

Program: Development Sample

Content: 65% Other, 35% REPREVE Recycled Polyester

Structure/Construction: Knit Circular, Double Knit

Yarn Information: 1.4DX38MM Repreve recycled polyester fiber + other

Applicant Information:

REPREVE® Certification Number: RPV-14818

Issue Date: 6/19/2020

Expiration Date: 6/19/2021

\*Note: This certification covers the period of one year. Re-certification is required for active programs on an annual basis.

Unifi Textiles (Suzhou) Co. Ltd. is excited to be working with your company and we look forward to additional new programs.

This certification is provided as of the date written above and for the sole and exclusive benefit of the recipient identified above, and it may not be relied upon by any third party. This certification relates only to the sample identified above and does not extend to any other product(s) or material(s). This certification is void if doctored, mutilated, forged or otherwise altered or amended in any respect.

*U Trust® verification does not warranty the content or performance of any product beyond the submitted sample. It is the responsibility of the Brand/Retailer to verify production orders have received the U Trust® Certification.*

Best regards,

Luka Yuan
